 July 21, 2020 - July 22, 2020

 8:30 am - 5:00 pm

G386 Mass Fatalities Incident Response

Tuesday July 21st – Wednesday July 22nd, 2020 (2-day course)

Watertown, 8:30 am – 5:00 pm

This course prepares state and local response personnel and other responsible agencies and professionals to handle mass fatalities effectively and to work with the survivors in an emergency or disaster.

This course covers incident management; mass fatalities; planning before and operations during an incident; establishing the morgue; family assistance support operations; and assistance from the Federal government. The course concludes with a tabletop exercise. Participants will learn to identify the characteristics of a mass fatality incident and identify the roles and responsibilities of key personnel in the incident. In addition, the instructor will describe the steps required to respond to a mass fatalities incident, including catastrophic numbers of fatalities and contaminated remains, and help participants determine their jurisdiction's preparedness for a mass fatalities event.

Course Objectives

- Describe the critical operational activities:
 - Notification
 - Staging
 - Search and recovery
 - Morgue operations
 - Media relations
 - Family assistance
- Explain how the Family Assistance Center is used to support families and to aid identification of the deceased.
- Identify the requirements to ensure that the psychological needs of morgue personnel are addressed.
- Recognize the importance of Critical Incident Stress Debriefings for responders at a mass fatalities incident.
- Identify the resources that are available during a mass fatalities incident and describe their roles and responsibilities.
- Apply the principles of ICS to a simulated incident.

Audience: Personnel who may have responsibility for the recovery, handling, identification, and return of remains following a mass fatalities incident, to include first responders and emergency managers.

*****This course counts towards FEMA's Advanced Professional Series (APS)*****

*****This course has been approved for 15 hours of EMS Training*****

Venue Information: You will receive specific **training location information** via **e-mail** when you have been approved to attend this course by the administrator. Please allow for up to 48 hours for this to occur.

To receive credit for training you must be present for the entire course.
